## FIVE OF EIGHT CONSTITUENTS CONTRACTED Y-o-Y

## Core sector growth falls to seven-month low of 0.5% in May

FE BUREAU  
New Delhi, June 22

INDIA'S CORE SECTOR growth fell to 0.5% in May, the lowest in seven months as output from five of the eight constituents of the relevant index contracted year-on-year (y-o-y). Output of coal, crude oil, natural gas, refinery products and fertilisers fell while steel, cement and electricity production expanded.

For April, the growth has been revised to 1.8% from the 1.7% reported earlier. In May of 2025 ICI had expanded at 1.2%.

The refinery sector, which contracted by 8.7%, was the biggest drag on growth in May. It has the highest weight of 28.04 in the ICI. Coal output fell 9.3%, crude oil 4.6%, natural gas 4.9% and fertilisers 0.9%.

"The decline in production of crude oil, refinery products and natural gas could be due to higher crude imports and softening international market prices. In the case of natural gas, with supply chains being addressed, domestic production tended to fall.

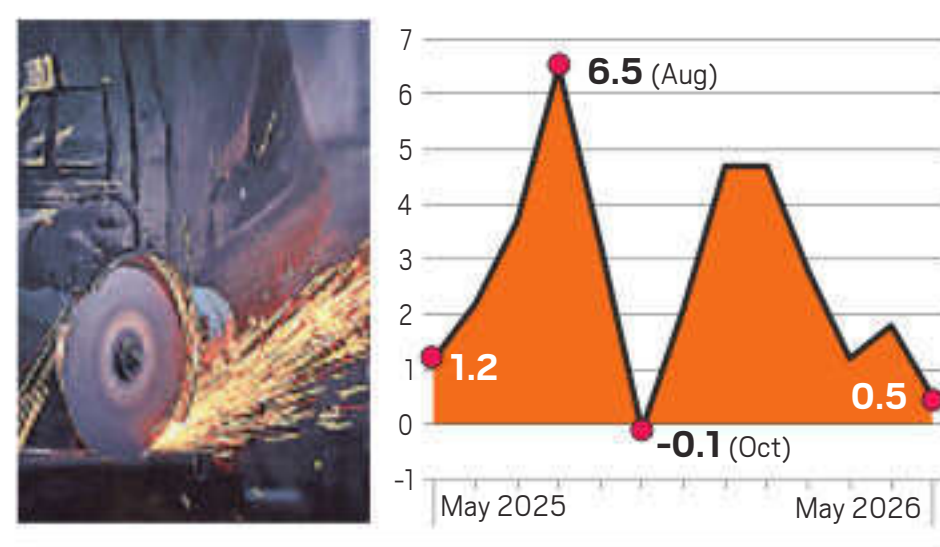

## Moody's flags risks to country's water management framework

INDIA'S FRAGMENTED WATER governance structure, highly subsidised pricing and slow reallocation among sectors can result in water shortage and higher risk of sustained fiscal pressure, Moody's Ratings said on Monday.

In a report, Moody's said allocation frameworks, which govern how water supply is prioritised, priced and distributed across households, industry and agriculture, are becoming a more important determinant of economic

## APRIL GROWTH REVISED TO 1.8%

Core sector growth (%)

Lower exports of petro products also contributed to decline in production," Chief Economist at Bank of Baroda Madan Sabnavis said.

The biggest expansion was seen in electricity output of 8.7%. The electricity sector has a weight of 19.85 in the index. Cement production grew 8.4% and steel 5.0%.

The decline in refinery output was the sharpest in 42 months, partly reflecting the fallout of the West Asia crisis, said Rahul Agrawal, Principal Economist at ICRA.

"The growth in electricity

generation improved to an 19-month high of 8.7% in the month, aided by high temperatures and a favourable base; this ensured that overall core output growth remained positive for the month," he added.

Given the tepid performance of the core sector in May 2026, IIP growth is likely to weaken to 2-3% in the month from 4.9% in April 2026, according to Agarwal.

The Eight Core Industries comprise 40.27% of the weight of items included in the Index of Industrial Production (IIP).

## 20% DA hike, 100K jobs in BJP govt's first budget in Bengal

PRESS TRUST OF INDIA  
Kolkata, June 22

THE BJP GOVERNMENT in Bengal sought to blend welfare continuity with political and administrative reset in its maiden budget presented on Monday, as it pledged to fill one lakh government vacancies and increase dearness allowance by 20 percentage points (pps) while stressing the need for fiscal discipline.

Finance Minister Swapan Dasgupta presented a ₹4.38 lakh crore budget for 2026-27 — the first full-fledged financial statement of the BJP government that assumed office in May after ending the 15-year rule of the Mamata Banerjee-led TMC. The TMC government had presented a ₹4.06 lakh crore vote-on-account budget in February.

Dasgupta sought to project the BJP government's budget as a roadmap for a "modern, progressive and developed Bengal".

Amid loud desk-thumping by treasury bench members, Dasgupta announced that dearness allowance (DA) for state government employees and pensioners would be increased by 20 pps from October 1, taking the total DA to 38%. With this, the gap between the DA received by state government employees and their central government counterparts has narrowed to 22 pps. State where employees had for long agitated over the issue under the previous regime.

Before presenting the budget, Dasgupta and Adhikari participated in a brief prayer ceremony in the assembly premises.

# 'We hit a sixer': Shinde inducts six MPs from Sena UBT into his party

**Vallabh Ozarkar**  
Mumbai, June 22

MAHARASHTRA DEPUTY Chief Minister Eknath Shinde on Monday formally inducted six rebel Shiv Sena (UBT) Lok Sabha MPs into the Shiv Sena, completing what leaders in his camp described as "Operation Tiger" and dealing the biggest blow to Uddhav Thackeray's party since the 2022 split.

At a joint press conference attended by all six MPs — Sanjay Jadhav, Sanjay Dina Patil, Sanjay Deshmukh, Omprakash Rajee Nimbalkar, Nagesh Patil Ashtikar and Bhausaheb Wakchaure —, Shinde declared that the second phase of the Shiv Sena rebellion was complete.

The Shiv Sena chief also assured the MPs that after joining the ruling side, they would no longer face hurdles in securing funds or carrying out develop-

Wherever there is Shiv Sena ideology, there are real Shiv Sainiks and that is why these six MPs have joined us today," Shinde said.

The induction of the six MPs takes the Shinde-led Sena's strength in the Lok Sabha from seven to 13, significantly strengthening the party's position in Delhi. The party has now crossed the two-thirds mark among Sena (UBT)'s nine Lok Sabha MPs, a threshold that could become crucial in any anti-defection proceedings.

While Shinde repeatedly framed the move as a battle to preserve Balasaheb Thackeray's ideology and Hindutva, several of the rebel MPs publicly cited

stalled development works and lack of access to funds as key reasons behind their decision.

Over the past two days, MPs Omprakash Rajee Nimbalkar, Nagesh Patil Ashtikar and Sanjay Deshmukh had argued that remaining in the Opposition had hampered their ability to bring development projects and government funds to their constituencies.

Shinde directly addressed those concerns, saying, "I assure all six MPs that their work will not face any hurdles now. There will be no shortage of funds for development work. From the state government as well as the Centre, all support will be extended."

The assurance is significant as it came immediately after the rebel MPs publicly linked their decision to difficulty in securing funds and implementing development projects while being in the Opposition.

Shinde said the 2022 rebellion had occurred because "another ideology" had begun dominating the Shiv Sena and claimed that the public had endorsed his decision in subsequent elections.

"You saw how the 2022 decision was accepted by the people and what kind of welfare work was done in the past two-and-a-half years," he said.

Responding to Sena (UBT) leader Sanjay Raut's warning of launching "Operation Tudva" against rebel MPs, Shinde said his party was focused on expanding the Shiv Sena rather than targeting opponents. "We have not come together to crush anybody. We have come together to expand Shiv Sena. We are not stopping anybody, but if somebody comes in our way, we will deal with them the way Balasaheb had taught us," he said.

# Roy 'replaces' Mamata as TMC chief, rebels form 30-member working committee

IN ANOTHER major jolt to the Mamata Banerjee-led Trinamool Congress, the rebel party MLAs, led by Ritabrata Banerjee, held a meeting at a private hotel in Kolkata on Monday and named senior MLA Arup Roy as the chairperson of what they described as the "real TMC".

With the decision, the rebels claimed to have removed Mamata as the TMC chairperson, even as her loyalists maintained she was their party chief.

Around 4 pm on Monday, a section of the rebel TMC MLAs and councilors held a "special session of the All India Trinamool Congress". About 40 councilors from Kolkata, Baharampur, Uttarpara, Sreerampur and Dumdum, participated in the meeting. A 30-member national working committee, including four vice-presidents and four general secretaries, was formed after the meeting.

Addressing a press conference, Ritabrata said: "We held a special session and delegates have elected the national working committee. Arup Roy... has been elected as chairperson. He was with the party from the beginning; 29 other members have been elected in the committee."

On Mamata's role, he said: "We want Dididi (Mamata Banerjee) to be our chief adviser."

"We have done this following rules and party constitution. We will inform the Election Commission about our decision. We are the Trinamool Congress. We will shortly set up a state committee, district committees, spokesperson and frontal organisations," he said.

At the special session, rebel MLAs Aroop Biswas, Sabina Yasmin, Rathin Ghosh and former Kolkata mayor Firhad Hakim were appointed as party vice-presidents, while Javed Khan, Sandipan Saha, Ritabrata Banerjee and Biplab Mitra were named new general secretaries.

## New Assignment

ALMOST TWO months after he led a mutiny in the Aam Aadmi Party ranks, Rajya Sabha MP Raghav Chadha made his first public appearance at a BJP meeting held by party national president Nitin Nabin in Punjab. Nabin, who was on his maiden tour of the state as the BJP chief, discussed the political situation of Punjab with Chadha and other BJP leaders from the state. Indicating that he would likely play a significant role in the BJP's campaign for Punjab elections, due early next year, Chadha flew down to Delhi alongside Nabin. The two were seen engaged in a conversation as they stepped out of the airport on Monday.

## Worth A Dam

PROTESTING AGAINST the Centre's decision to remove Kerala representative T K Sivarajan from the five-member Comprehensive Dam Safety Evaluation Committee — constituted to inspect the Mullaperiyar dam — Rajya Sabha MP Jebi Mather has sought the intervention of a parliamentary standing committee of which she's a member.

Mather wrote to senior BJP leader and chairman of the water resources committee, Rajiv Pratap Rudy, requesting him to help reinstate Sivarajan to the panel. She also urged him to take the parliamentary committee to visit the site of the 131-year-old dam.

## Onion Check

AMONG ALL food items, the one that draws frequent government attention is onions. Soon after returning to Delhi on Monday, Union Food Minister Pralhad Joshi chaired a review meeting to assess the progress of onion procurement. The meeting was attended by procurement agencies, Consumer Affairs Secretary Nidhi Khare and other government representatives.

Discussions focused on accelerating procurement activities, ensuring adequate buffer stock availability and strengthening market intervention measures.

# In Bengal BJP govt's first Budget: 1 L jobs, DA hike

**Atri Mitra**  
Kolkata, June 22

IN THE BJP's first Budget for West Bengal, Finance Minister Swapan Dasgupta on Monday announced a total allocation of Rs 4.39 lakh crore for 2026-27, headlined by a 20 percentage point increase in the dearness allowance (DA) for government employees to 38%, recruitment for 1 lakh vacant posts, and a new airport near Kolkata.

CM Suwendu Adhikari flanked by Bengal Finance Minister Swapan Dasgupta and BJP MLA Anandamay Barman on Monday. ANI

Addressing the Assembly, Dasgupta said the Chief Minister Suwendu Adhikari-led BJP government in Bengal inherited a debt burden of Rs 8.15 lakh crore from the previous Mamata Banerjee-led TMC administration. But, Dasgupta said, all existing welfare schemes would continue. Highlighting the "double-engine" government, Dasgupta said aid from the Centre is set to rise from Rs 22,069 crore to Rs 71,393 crore.

After Dasgupta presented the Budget, Adhikari said, "The base of our budget has five main points: *Seva Shakti, Nirman Shakti, Gyan Shakti, Jeevan Shakti and Shilpa Shakti*. We prioritised regaining the pride of Bengal as well as law and order, increasing the dignity of citizens, fearless environment, employment generation, development of industry and agriculture."

Dasgupta announced that 1 lakh vacant posts, including for police and government teachers, would be filled with a 33% reservation for women.

Announcing a hike in the DA, set to come into force from October 1, the finance minister said, "State government employees, semi-government employees, teachers and non-

teaching staff play an important role in the government's work and policy implementation. To recognise their contribution, I am happy to announce an additional 20% dearness allowance on top of the current 18%," he said, adding that the DA hike will also benefit pensioners.

The state government has also decided to raise the Member of Legislative Assembly (MLA) Local Area Development (MLALAD) amount from Rs 70 lakh to 1 crore for each legislator.

Dasgupta announced a plan to step up aviation infrastructure in the state. The state government will identify 1,000-1,500 acres of land near Kalyani for a new greenfield airport, he said.

Dasgupta said new airports will be developed under the Centre's UDAN scheme to boost regional tourism. "Such new airports will be set up in Purulia, Balurghat and Malda," Dasgupta said. Citing issues in the existing ports at Kolkata and Haldia, he said, "I propose to develop a deep sea port at Dandanpatrabari in Purba Medinipur District through a public-private partnership model that will have an integrated port estate."

Dasgupta also proposed the construction of the Bhagirathi Major Bridge connecting Kalna and Santipur to boost trade and socioeconomic growth at an estimated cost of Rs 71,200 crore. Within Kolkata, the finance minister also proposed a 7.41-km elevated corridor to improve connectivity between Chingrihata and New Town with an outlay of Rs 7,900 crore.

Among its flagship promises was the Annapurana Yojana, which replaced the TMC's Lakshmi Bhandar, under which eligible women will get Rs 3,000 per month. The government has allocated Rs 36,000 crore for the scheme under the Rs 52,308-crore outlay for the Department of Women and Child Development and Social Welfare.

Aimed at reducing drop-out rates for girls, the government announced a new scheme to provide one-time support of Rs 50,000 at the time of undergraduate admissions, for a total outlay of Rs 21,000 crore. Starting on July 1, the government will also provide free bus transport for all women at a cost of Rs 550 crore.

# Centre opens purse strings, Suwendu govt cuts deficits; runs into loans, debt

**Atri Mitra**  
Kolkata, June 22

PRESENTING THE new BJP-led West Bengal government's first Budget in the state Assembly Monday, Finance Minister Swapan Dasgupta announced a total allocation of Rs 4.39 lakh crore for 2026-27, giving impetus to social welfare while looking to boost infrastructure and industrial sector.

Dasgupta also tried to improve the state's fiscal health, proposing to reduce revenue deficit by over Rs 19,000 crore amid a sharp spike in central assistance.

Unveiling his Budget proposals in the House, the Finance Minister said, "Our government has inherited a massive debt of Rs 8,15,891 crore as a legacy. This is potentially a crippling debt. However, with the support of the Government of India and fiscal reforms, we will try to put it on a sustainable path."

According to a financial statement of the BJP government, the state Budget had estimated the central government's grants-in-aid of Rs 37,157.57 crore for the financial year 2025-26, which was revised downward to Rs 22,068.85 crore. However, in the estimation of the current

Budget, the central grants-in-aid jumps by about Rs 49,325 crore to Rs 71,393.19 crore for 2026-27.

A senior finance department official said, "The BJP government is not only going to get funds from the Centre for VB-G RAM-G scheme, but also for PMAY-G and gram in road projects. The TMC government had not accepted central schemes like Ayushman Bharat. Instead, it had started its own schemes with funds from the state government's exchequer. Now, in all such schemes, the Central government would give full financial assistance or clear its entire share promptly."

Dasgupta proposed to reduce the revenue deficit to Rs 21,984 crore in 2026-27, which was Rs 41,164 crore in the revised Budget of the Mamata government last year. In the 2025-26 Budget estimates, this figure stood at Rs 35,314 crore.

However, one of the major economic challenges facing the Adhikari government is the public debt. While noting the massive "legacy debt" of Rs 8,15,891 crore left by the previous government, it has also proposed to raise market loans to the tune of Rs 80,444.55 crore in 2026-27, which may take the state's debt to about 9 lakh crore.

# In her first India trip as Japan PM, Sanae Takaichi likely to visit Guwahati on July 1-3

**Shubhajt Roy**  
New Delhi, June 22

Takaichi assumed office in October last year

JAPAN'S PRIME Minister Sanae Takaichi is expected to visit India from July 1 to 3, sources said, adding that the venue of the bilateral summit is likely to be in Guwahati. This will be Takaichi's first bilateral visit to India since she assumed office in October last year.

Prime Minister Narendra Modi met his Japanese counterpart in France on the

interaction with Prime Minister Sanae Takaichi of Japan". He said, "India and Japan will continue to deepen ties in diverse sectors, with a priority on trade and investment."

The venue of Guwahati is being considered since Japan has been working on projects in the north-east, as part of India's Act East policy. Japan's former PM Shinzo Abe was supposed to come to Guwahati in 2019, but the plan was cancelled due to the anti-CAA and NRC protests at that time.
