

**Application for Grant of License for Transmission of Electricity at Greater Nicobar Island under
Electricity Act, 20003**

Diary No. 26953/2026

The Joint Electricity Regulatory Commission (JERC), Gurugram

From, Davendar Goel Chief Executive Officer NTPC Electric Supply Company Limited (NESCL) 5th Floor, NTPC Engineering Office Complex Plot No. A-8A, Sector 24, Noida-201301,UP	To, Joint Electricity Regulatory Commission (JERC) Third Floor, Plot No. 55-56, Udyog Vihar, Phase-IV, Sector-18, GurugramHaryana-122015
---	---

BEFORE THE JOINT ELECTRICITY REGULATORY COMMISSION (JERC),

AT GURUGRAM, HARYANA

Diary no 26953/2026

In the matter of:

Application for Grant of Licence for Transmission of Electricity at Great Nicobar Island under Section 14 and Section 15 of the Electricity Act, 2003, read with the Joint Electricity Regulatory Commission for the State of Goa and Union Territories (Transmission and Distribution Licencing) Regulations, 2020.

And in the matter of:

NTPC Electric Supply Company Limited
NTPC Bhawan, Core 7, SCOPE Complex,7,
Institutional Area, Lodi Road, New Delhi- 110003

AFFIDAVIT

I, Mr. Davendar Goel S/o Late Sh P. C. Gupta, aged about 56 years, presently working as Chief Executive Officer at NTPC Electric Supply Company Ltd. (NESCL) R/o C 201 Sunrise Greens Ahinsa Khand Indirapuram Ghaziabad U.P. 201014, do hereby solemnly affirm and state as under:

1. That I am the authorized representative of NESCL, the applicant in above matter and fully competent and duly authorised to swear and depose the present affidavit on behalf of NESCL
2. That the Hon'ble Joint Electricity Regulatory Commission (JERC), vide its order dated 24.02.2026, directed the deponent to submit compliance to clause 3.7 and 4 of the Joint Electricity Regulatory Commission for the State of Goa and Union Territories (Transmission and Distribution Licencing) Regulations, 2020.
3. That I am conversant with the facts of the matter and herby submit the accompanying reply in compliance with the said directions issued by the Hon'ble Commission.
4. That the information furnished above is based on official records maintained in the normal course of business.

DEPONENT

VERIFICATION

I, Mr. Davendar, the above-named deponent, hereby verify that the contents of this affidavit are true and correct to the best of my knowledge and belief. Nothing material has been concealed therefrom.

Verified at Noida on this 11th Day of March 2026

Managing Director,

ANIIDCO Ltd.

PB No.180,

Sri Vijaya Puram-744101

Andaman and Nicobar Islands

Subject: - Request for a letter confirming intent to allocate land to NESCL for Transmission system.

Madam,

The Ministry of Power (MoP), vide Office Memorandum dated 06.08.2024, has nominated NTPC Limited as the implementing agency for the complete development of power infrastructure, including transmission, at Great Nicobar Island. As per the action plan discussed during the meeting held on 13.06.2025, chaired by the Additional Secretary (R&R), MoP, NTPC was advised to explore undertaking the transmission component either through NESCL or through an SPV. In this regard, NTPC has nominated NESCL (a wholly owned subsidiary of NTPC Ltd) to execute the transmission system work.

Accordingly, DGM (NTPC) vide email dated 31-10-2025 has requested GM (ANIIDCO) to grant necessary land usage transfer for the required area in the name of NESCL (**Annexure-1**).

An application under Transmission and Distribution Licensing Regulations, 2020 has been submitted to the Joint Electricity Regulatory Commission for the State of Goa and Union Territories (JERC) on 31.12.2025 for the grant of a transmission license to execute the transmission system work in the region.

In this regard hearing was held at JERC on 24-02-2026 wherein it was informed to commission that a 3metre wide transmission corridor along the planned road, as well as 7 acres of land for each of the three proposed substations had been agreed and incorporated in the proposed Master Plan for the Great

Nicobar Islands of ANIIDCO. However, JERC desired that a letter from ANIIDCO for intent to allocate land to NESCL be submitted to JERC in compliance to clause 3.7 (f) of the said regulation.

In this regard, you are requested to issue a letter confirming that ROW of 3m wide transmission corridor and land for each Substation 2 (Gandhi Nagar) and 4 (Campbell Bay) required for the transmission system will be provided in due course of time to NESCL.

Thanking You,

Yours faithfully

Substations layout.pdf; Email dated 19.02.2025 from NTPC to EGIS to plan reservoir according to 100 MW FSPV solar installation..pdf;

CAUTION: This Email has been sent from outside the Organization. Unless you trust the sender, Don't click links or open attachments as it may be a Phishing email, which can steal your Information and compromise your Computer.

Dear Mr. Krishna / Mr Arvind / Mr. Saurabh,

With reference to the trailing mail from Sr. Consultant (Urban Planner), ANIIDCO forwarding the email from NTPC, you are requested to take necessary action for incorporating the area provision for three substations in the Master Plan and confirm.

You are also requested to expedite your reply regarding option for transmission corridor in view of the NTPC reply that it is not feasible to lay cable in the paved shoulder space. You are also requested that a detailed note regarding design of 30 mtrs ROW to be utilized out of the total ROW of 55 mtrs may be submitted for further discussion by the competent authority.

Regarding the issue of 100 MW solar panels, we have already forwarded your e-mail dated 04.04.2025 to NTPC, however, they are not satisfied with the reply, therefore, you are requested to refer to the email dated 19.02.2025 from NTPC regarding their suggestion for designing the reservoir (copy attached) and let us know your comments on the same. If required, you may ask your infrastructure consultant to speak to Shri Akhil Agarwal/Shri Bibek of NTPC for sorting out the matter.

Regards

Mohd. Pervaiz

Sir,

The Ministry of Power (MoP), vide Office Memorandum dated 06.08.2024 has nominated NTPC Limited as the implementing agency for the complete development of power infrastructure including transmission at the Great Nicobar Island. In this regard NTPC has agreed to execute the Transmission system work through NESCL (a wholly owned subsidiary of NTPC Ltd).

Transmission license is required to execute the work of transmission system as per the Joint Electricity Regulatory Commission for the state of Goa and Union Territories (Transmission and Distribution Licensing) Regulations, 2020.

Accordingly, application for grant of transmission license in the areas being developed by ANIIDCO is submitted to the Joint Electricity Regulatory Commission for the state of Goa and Union Territories (JERC) on 31.12.2025. The block diagram for the same is attached for kind reference.

During the JERC hearing held on 24.02.2026, NESCL was directed to inform all concerned local authorities about the submission of this application and seek their consent.

In compliance with the above directions, we hereby seek your consent to the proposed transmission system falling under your jurisdiction.

Thanking You,

Yours Sincerely,

Subject: Request for No Objection Certificate under Section 15(2)(ii) of the
Electricity Act, 2003 for Transmission License Application of NESCL at
Great Nicobar Island

Dear Sir,

The Ministry of Power, vide Office Memorandum dated 06.08.2024, nominated NTPC Limited as the implementing agency for the power generation and transmission project at Great Nicobar Island.

During the meeting held on 13.06.2025 chaired by the Additional Secretary (R&R) MoP, it was advised that the transmission component may be undertaken either through NESCL or through an SPV not involved in electricity trading. Accordingly, NTPC has nominated NTPC Electric Supply Company Ltd. (NESCL), its wholly owned subsidiary, to execute the transmission system works for the project.

In line with the above, an application under the Transmission and Distribution Licensing Regulations, 2020 was submitted to the Joint Electricity Regulatory Commission for the state of Goa and Union territories (JERC) on 31.12.2025, seeking the grant of a transmission license for the identified area.

एनटीपीसी इलेक्ट्रिक सप्लाय कम्पनी लिमिटेड

(एनटीपीसी की पूर्ण स्वामित्व वाली सहायक कम्पनी)

NTPC Electric Supply Company Limited

(A wholly-owned subsidiary of NTPC)

A hearing on this application was held before JERC on 24.02.2026, wherein NESCL was directed to furnish a letter indicating consent or No Objection from the Central Government, if applicable, under Section 15(2)(ii) of the Electricity Act, 2003.

This provision states that a licence shall not be granted –

Quote

(ii) Until, in the case of an application for a license for an area including the whole or any part of any cantonment, aerodrome, fortress, arsenal, dockyard or camp or of any building or place in the occupation of the Government for defence purposes, the Appropriate Commission has ascertained that there is no objection to the grant of the licence on the part of the Central.

Unquote

Ministry of Power is requested to kindly coordinate with concerned Ministry for issuance of the No Objection Certificate under Section 15(2)(ii) of the Electricity Act, 2003 for NESCL's transmission license application for Great Nicobar Island. This will enable us to comply with directive of JERC for grant of the Licence.

Thanking You,

Yours faithfully

Sub.: In-Principle consent of NTPC Ltd for undertaking the work of establishing Transmission system at Great Nicobar Island through NTPC Electric Supply Company Ltd. (NESCL).

Dear Sir,

With reference to submission of application by **NTPC Electric Supply Company Ltd. (NESCL)** for grant of Transmission License under the Transmission and Distribution Licensing Regulations, 2020 of the Joint Electricity Regulatory Commission for The State of Goa and Union Territories (JERC), it is to state that:

1. The Ministry of Power (MoP), vide OM no 4/4/2017-Th-1 (Part -V) [247871] dated 6th Aug 2024, has nominated NTPC Limited as an implementing agency for complete development of power infrastructure of Power generation and Transmission Project in Great Nicobar Island.
2. As per the action plan discussed during the meeting held on 13.06.2025, Chaired by the Additional Secretary(R&R), MoP, NTPC was advised to explore undertaking the transmission component either through NESCL or through an SPV.
3. NTPC Limited in its Board meeting held on 26.09.2025 at item no 559.2.6 has accorded In-Principle consent to NTPC Electric Supply Company Ltd. (NESCL) for undertaking the work of establishing transmission infrastructure at Great Nicobar Island as part of the holistic development plan of Government of India.

Yours faithfully,

Subject: - Forwarding of Transmission License Application for compliance of JERC (Transmission and Distribution Licensing) Regulations.

Sir,

The Ministry of Power (MoP), vide Office Memorandum dated 06.08.2024 has nominated NTPC Limited as the implementing agency for the complete development of power infrastructure including transmission at the Great Nicobar Island. As per the action plan discussed during meeting dated 13.06.2025 chaired by Additional Secretary (R&R), MoP; NTPC was advised to explore undertaking the transmission component either through NESCL or via an SPV. In this regard NTPC has agreed to execute the Transmission system work through NESCL (a wholly owned subsidiary of NTPC Ltd).

Transmission license is required to execute the work of transmission system as per the Joint Electricity Regulatory Commission for the state of Goa and Union Territories (Transmission and Distribution Licensing) Regulations, 2020. (attachment-1)

Accordingly, application for grant of transmission license in the region is submitted to the Joint Electricity Regulatory Commission for the state of Goa and Union Territories (JERC) on 31.12.2025.

Clause 4.1 of these regulations stipulates that the Transmission Licensee applicant shall immediately forward a copy of the application along with all enclosures to the State Transmission Utility for its recommendations.

In compliance with the above regulation, we are forwarding herewith a copy of the transmission licence application along with all enclosures (attachment-2) for your kind perusal and necessary recommendations.

Thanking You,

Yours Sincerely,

Davendar Goel
