HOME-GROWN STRATEGY FOR STRENGTH

Chief of Defence Staff General Anil Chauhan visits the exhibition on indigenisation of critical components currently being imported from foreign OEMs in the areas of UAV & C-UAS, at the Manekshaw Centre, in New Delhi on Wednesday

HOUSES TO DISCUSS 8 BILLS FROM JULY 21-AUG 21

I-T Bill, mines law lined up for monsoon session

IBC, insurance Bills not listed for discussion

FE BUREAU New Delhi, July 16

THE MONSOON SESSION of Parliament, scheduled from July 21 to August 21, will take up several economic bills, including the Income Tax Bill, 2025, which seeks to simplify provisions of direct tax laws. A total of eight bills have been listed for introduction, consideration, and passing. However, two widely watched pieces of legislation, namely the Insurance (Amendment) Bill and Insolvency and Bankruptcy Code (IBC) Bill, are conspicuously absent from the Bills listed for the session. The insurance Bill seeks to allow 100% foreign direct investment (FDI) and composite licensing, while the amendments to the IBC 2016 are designed to expedite the pace of resolution of stressed assets, and bring in a few new provisions like those for cross-border and group insolvency resolutions. A parliamentary panel that examined the Income Tax Bill on

ON AGENDA

- New I-T Bill aims to simplify taxes
- Panel suggests 285 changes to I-T Bill
- Mines Bill targets critical minerals
- Jan Vishwas Bill to ease compliance
- Several shipping bills listed

Wednesday made 285 suggestions on the draft legislation. The Select Committee of the Lok Sabha to examine the Bill, chaired by BJP leader Baijayant Panda, adopted the report on the draft law, which will be presented to the House on Monday, the first day of the monsoon session. The Mines and Minerals (Development and Regulation) Amendment Bill, 2025, which proposes to provide for the recovery of critical minerals,

the inclusion of contiguous areas in a mining lease for mining of deep-seated minerals, and widening the scope of the National Mineral Exploration Trust is also listed for tabling in the session. The Taxation Laws (Amendment) Bill, 2025, and the Jan Vishwas (Amendment of Provisions) Bill, 2025, are also on the agenda.

The Jan Vishwas Act 2023 had decriminalised 183 central acts administered across 19 ministries/departments, with a view to improving ease of doing business. The proposed amendments will further the process. The Indian Ports Bill, 2025, Merchant Shipping Bill, 2024, Coastal Shipping Bill, 2024, Carriage of Goods by Sea Bill, 2024, Bills of Lading Bill, 2024 are listed for consideration and passing. There will be a total of 21 sittings in the monsoon session.

NITI Aayog to help boost rlys' non-fare revenues

MANU KAUSHIK New Delhi, July 16

NITI AAYOG PLANS to engage an agency to conduct a study on maximising non-fare revenue (NFR) for Indian Railways. In its expression of interest document, the government think tank stated that the objective is to help Indian Railways significantly boost NFR streams, thereby improving financial sustainability and reducing dependence on traditional sources like freight and passenger services.

The study will entail a detailed analysis of the existing revenue sources, in addition to identifying new areas

The study will entail a detailed analysis of the existing revenue sources, in addition to identifying new areas that can be tapped by the railways

that can be tapped by the railways. "The study will analyse in detail all current NFR sources, including but not limited to advertisements (on trains, stations), land monetisation, commercial spaces at stations, parking, kiosks, ATM installations, waste-to-revenue initiatives and any other existing non-fare generating activities," the EoI noted.

The document outlined a bunch of new potential revenue areas as well. This includes asset-based monetisation, service-based monetisation, partnership models and sustainability-linked models. Within the partnership models, the NITI Aayog has proposed to enhance the public-private partnership (PPP) arrangement by drawing lessons from the existing station redevelopment projects. Currently, the railways generates revenues primarily from passenger and freight operations. Though there's an uptick in the NFR segment as well in the recent years.

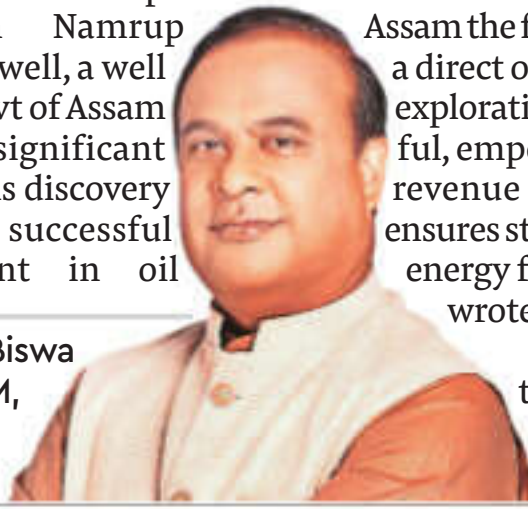

'Hydrocarbons found in Dibrugarh'

PRESS TRUST OF INDIA Guwahati, July 16

ASSAM CHIEF MINISTER Himanta Biswa Sarma on Wednesday said Oil India Limited (OIL) has discovered hydrocarbons in Namrup Borhat-1 well in Dibrugarh district, in which the state government has a significant stake. He described the discovery as a major step forward in energy security and economic

resilience. In a post on X, Sarma said, 'Oil India Limited has discovered hydrocarbon presence in Namrup Borhat-1 well, a well where Govt of Assam holds a significant stake.' This discovery ensures successful investment in oil

Himanta Biswa Sarma, CM, Assam

drilling and contribution to national energy security, the CM said. "This discovery makes Assam the first state govt to be a direct oil producer, makes exploration efforts successful, empowers Assam with revenue & royalty and ensures steady availability of energy for the country," he wrote on social media. Sarma described the discovery as a 'proud moment'.

UIDAI deactivates 11.7 mn Aadhaar IDs of deceased

THE UIDAI HAS started deactivating Aadhaar of deceased persons to prevent misuse of their identity proof, and disabled over 11.7 million such unique 12-digit numbers till date, an official statement said. As part of initiatives, the

Unique Identity Authority of India (UIDAI) has started a new service - Reporting of Death of a Family Member - on the myAadhaar Portal for deaths registered in 24 states and UTs, to allow individuals to report the death of their family members. —PTI

FAZILPURIA SHOOTING

One arrested, police say he rented car, conducted a recce

EXPRESS NEWS SERVICE  
GURGAON, JULY 16

A SONEPAT resident was arrested on Wednesday for his alleged involvement in shooting at 35-year-old singer-rapper Rahul Fazilpuria in Gurgaon on Monday.

Around 5.50 pm on July 14, when Fazilpuria was leaving the Fazilpur area in his car, men driving a white Tata Punch car – which had initially trailed him – had opened fire on him. The bullet had struck a pole, and the perpetrators lived in the same vehicle. The Sector 40 Crime Branch on Wednesday arrested Vishal, a resident of Jajal in Sonapat.

“His questioning has revealed that Vishal, along with accomplices, conducted reconnaissance of the victim’s routes and locations, staying in various guest houses in Gurugram. On the day of the incident, he tracked the singer-rapper and shared details with his associates, who then executed the shooting,” said an officer. The police said Vishal was also involved in renting the Tata Punch car used in the crime, which has since been recovered.

Earlier in the evening, a post

Rahul Fazilpuria

surfaced on social media in which a person claimed responsibility for shooting at Fazilpuria. The note said the shooting was the fallout of a financial dispute.

“Greetings to all brothers, I am Sunil Sardhania. The attack that happened on Fazilpuria was a warning from me. If we wanted to kill him, we would have done it outside his office. We want our money back, which Deepak Bhai invested in him, taking money from his acquaintances to make Fazilpuria a celebrity. Deepak Nandal, my brother, invested a total of 5 crores for him”, the post, translated from Hindi, read.

It added that earlier, Fazilpuria would say that if he did not become successful enough, he would sell his land to repay the money. “That brother (who lent the money) ruined 10 years of his life for him and also lost Rs 5 crore. Now that his (Fazilpuria’s) songs have become hits, he’s showing off his political influence...”

AMID FEARS OF EVICTION

Neither Pak nor India to be blamed, our fault is we were born: Hindu refugees in Majnu Ka Tila

NIRBHAY THAKUR  
NEW DELHI, JULY 16

ON A table in a room that has walls made up of corrugated metal sheet lies a notice issued by the Delhi Development Authority (DDA), the contents of which are powerful enough to shake up the future of 800 Pakistani Hindu refugees staying in a camp in Delhi’s Majnu ka Tila.

“Bhai, notice aagaya hai... ab hum kahan jaayenge,” said a camp resident while referring to the public notice issued on July 14.

“How can they evict us without giving us any alternate living space... Some imaginary lines were drawn by foreigners to divide India and Pakistan. They didn’t care about the toll it would take on us... We hoped at least the government of India would care about us,” he added, refusing to share his name.

The refugee camp is located on the Yamuna floodplains, which, according to the Delhi Master Plan, fall in Zone ‘O’, where construction and housing are prohibited due to environmental concerns.

Maina has been living in the camp for 12 years. Express

The DDA notice issued on July 14 has stated: “...the Hon’ble High Court has given judgment in favour of DDA... In compliance... it is proposed to conduct demolition drive against encroachment in Yamuna River flood plain DDA land south of Gurdwara in Majnu ka Tila on 15/07/2025 and 16/07/2025.”

Requesting that the residents vacate the area by July 14, it added that if not done, “they (residents) will be responsible for any damage caused due to demolition drive against encroachment” on July 15, 16, and thereafter.

The eviction, however, is yet to begin, said residents.

On May 30, the HC had dis-

missed a petition filed by one Ravi Ranjan Singh seeking the court’s direction to the DDA not to demolish the camp, till some alternative piece of land is allotted to the residents under the Citizenship Amendment Act (CAA).

Pointing out the need to secure the fundamental human right to a clean and healthy environment for the residents and future generations of Delhi, Justice Dharmesh Sharma had said in his May order: “Given the critical condition of Yamuna river, this court unhesitatingly finds that no interference with the ongoing restoration and rejuvenation efforts of the river can be countenanced at the petitioner’s instance.”

Dharamvir Solanki, who has been living in the camp since 2013, said, “Around 1,000 people live in this camp... 700 of them don’t have Indian citizenship. None of them has a ration card. Some have come after the CAA cut-off date of December 2014... Why even have a cut-off date like this?” While the walls of houses in the camp are made of bamboo slats, corrugated metal sheets, or even mud bricks, the roofs are an amalgamation of tarpaulin and

straw. Some houses bear the marks of recent destruction or on-going construction, and the ceilings are a rustic lattice of wooden beams and bamboo.

“It is neither the fault of India, nor of Pakistan... our fault is we were born,” said Maina (25), who has been living in the camp for the last 12 years. “They called us ‘Hindustani’ there, and they call us ‘Pakistani’ here,” said Shruti Shrivati (40), who has recently shifted to the camp.

As her child asks for Rs 10 to purchase finger chips being made by a group of women inside the camp, Maina said, “It breaks my heart when he asks for money... I earn just Rs 100 a day. I spend more than I earn. Earlier, we would sell mobile phone covers... but a single flood in the camp takes us 10 years back. Our savings, our inventory... everything gets destroyed.”

“We didn’t even have power for the last 10 years. This used to be a cemetery... finding corpses in the ground was common a decade ago,” said Mohini, another resident. “A snake is spotted here every single day... I am scared for my children,” she added.

JUSTICE BAKHRU BIDS FAREWELL TO DELHI HIGH COURT

‘Institution may evolve but integrity should be constant’

SOHINIGHOSH  
NEW DELHI, JULY 16

BIDDING FAREWELL to the Delhi High Court, which he has served for more than three decades, Justice Vibhu Bakhru on Tuesday said that while the institution evolves, “at its core, integrity, independence and empathy, must remain constant”.

The Centre had confirmed the transfer of Justice Bakhru – the

second seniormost judge at Delhi HC after Chief Justice (CJ) D K Upadhyaya – to the Karnataka High Court as its CJ on Monday, following the SC Collegium’s recommendation on May 26.

At a farewell event organised by the Delhi HC Bar Association, CJ Upadhyaya congratulated the bar association for “sending its emissary to Karnataka”.

Additional Solicitor General Chetan Sharma, remarking on Justice Bakhru’s quiet and “unflap-

pable” demeanour, added, “We have seen you as one of the top lawyers on the commercial side, he is what I call, a silent assassin.”

Standing counsel of the Government of the National Capital Territory of Delhi, Sameer Vashisht, speaking at the formal full court farewell, hailed Justice Bakhru for voluntarily

disclosing his assets publicly. “By voluntarily disclosing your personal assets in the public domain, you led by example, demonstrating that integrity is not just a private virtue but a public assurance. He reminded us that the judiciary commands respect when it embraces openness alongside independence.”

L-G orders probe into AAP’s free coaching scheme

EXPRESS NEWS SERVICE  
NEW DELHI, JULY 16

THE ANTI-CORRUPTION Branch (ABC) of the Delhi government has been asked to probe alleged corruption into the free coaching scheme started by the Aam Aadmi Party (AAP) government for students from disadvantaged backgrounds, Education Minister Ashish Sood said on Wednesday.

Lt Governor VK Saxena has ordered the probe, he added. Under the Jai Bhim Pratibha Vikas Yojna SC, ST and OBC students were provided free coaching at private institutes for competitive exams.

Addressing mediapersons with SC/ST Welfare Minister Ravinder Indraj, Sood alleged that a bill of Rs 145 crore was prepared during Covid-19 pandemic in 2021-22 for payment to private coaching institutes. He added that the previous AAP government neither sought any list of students from the coaching institutes nor verified if they were being provided coaching. “Chief Minister Rekha Gupta had recommended that their allegations be probed,” he said.

“The scheme, initiated in 2018, aimed to provide free coaching by transferring government funds directly to coaching institutions.

AAP leaders insulted Dr BR Ambedkar’s legacy and turned a welfare scheme into a nexus of corruption... In 2018, 4,900 students were supposed to receive coaching, and in 2019, the number was 2,071. However, during the pandemic, AAP leaders colluded with the coaching mafia. Originally allocated a budget of Rs 15 crore, the scheme saw a massive spike in billing, with coaching institutions submitting claims of Rs 145 crore between July 2021 and August 2022... Upon investigation, it was revealed that coaching institutions provided data for 13,000 students, but only 3,000 could be verified. The rest had no supporting documentation or register entries,” said Sood.

The AAP, meanwhile, accused the BJP government of “systematically dismantling” welfare schemes. “The BJP is using corruption allegations as a smokescreen to justify the closure of these schemes despite not a single allegation being proven to date... From shutting down mohalla clinics, ending free bus travel for women, to withdrawing free medicines from government hospitals and moving towards the privatisation of Delhi’s water supply, every step is calculated to erase AAP’s model of governance,” AAP Delhi president Saurabh Bharadwaj said.

STANDING COMMITTEE MEETS

Waste-to-energy plant proposal for Bawana sent back

Move comes amid objections from residents against the plant

DRISHTI JAIN  
NEW DELHI, JULY 16

EVEN AS the Union Environment Ministry gave an environmental clearance (EC) to a proposed Waste-to-Energy Plant (WTE) in Bawana last month, the proposal to set up the plant in Narela has been sent back to the Department of Environment Management Services (DEMS) of the Municipal Corporation of Delhi (MCD) on Wednesday for a revisit.

The decision was taken at the Standing Committee meeting on Wednesday amid staunch opposition against the project from the local residents.

Following the decision by the Standing Committee at its second meeting since it was recently constituted, the item will be listed again for reconsideration after the DEMS makes amendments to the proposal, said officials.

An official of the Delhi Environment department said, “The MCD is authorised to take such an action. The role of our department is to grant NOCs.”

The Centre’s clearance to the

project came on June 20 and was made public by the Delhi Pollution Control Committee earlier this month.

The EC was granted based on standard and specific condition applicable to thermal power projects, including compliance with the Environment Impact Assessment Notification, 2006. The 15-acre plot where the proposed plant is to be developed was allotted by the civic body in February under a concession agreement, the Environment Clearance report stated.

The 30-megawatt plant is to be developed under a public-private partnership with Jindal Urban Waste Management (Bawana) Limited in Sector 5 of the Bawana Industrial Area.

However, residents have been protesting against the waste-to-energy plant facility to be set up at a cost of Rs 660 crore. They have expressed concerns over worsening of air quality, health risks, and handling of waste.

But in the EC report in response to the concerns raised, the firm stated that an “Ambient Air Quality Monitoring System will be installed in the plant to track pollution levels and ensure compliance with environmental regulations...”

This is the fifth plant that is set to come up in the city. There are four other WTE plants in the city – Okhla, Ghazipur, Tehkhand and Narela.
